

The Things she Saw

On that day, the gentle girl learnt about strength  
Together with the comrades she loved...

Oh...

I'll be  
joining  
the ranks  
as a  
soldier.

Well, the  
best thing  
to keep  
around for  
protection

Just  
let your  
hand  
come  
down

After  
that

APRIL  
13TH,  
1944

THE  
DESTROYER  
O'BRIEN  
WAS LOST.

ALL OF HER  
CREW WAS  
KILLED  
IN ACTION—

AFTER BEING  
STRUCK BY  
TORPEDOS  
FROM USS  
HAROLD WOLF  
OF OMAHA...

Her soul was left to roam —

I WILL...

**HELP  
YOU!**
